

Sport in our Department - Isère

We live in the Isère department. This is in South-East in France.

In our department, there are some good sportifs who begin sport and go to higher

Level. For example:

-Florence Masnada, is a very good skier, she was Olympic medalist three times.

-Vincent Clerc, is a very good rugbyman wich now is in the french national team.

-Bruno Saby, a famous rallye pilot who win popular races in France. He was France

Champion with his Renault 5 turbo in 1981.

-Raphael Poirée, a french biathlete, eight times World Champion.

-Jeannie Longo, a famous french cyclist, she was thirteen times World champion and one time Olympic Champion.

-Carole Montillet, eight times France Champion, eight times World Champion, and one time Olympic Champion.

-Jean-Claude Killy is an old but really good skier who was been three times Olympic winner, six times World champion and many times France champion, He was elected the best skier of the century

Some sport team are very strong in our department:

In handball, we can talk about Chambéry's team, because they are the second better

Team in France.

And to finish, we must to talk about the best ice hockey team in France. They are called

« Les Brûleurs de Loups » and this is the third time who

they are France Champion.
